DESIGNED BY	<p>Snoflake must be at least 18" – 36" large; at least 1" deep – and/or with a structure that does not break, curl up and lose its shape, disintegrate, or lose quality for at least two years. The submission will include information about the anticipated weight of the Snowflake.</p> <p>The Artist/Creative may use any materials that will "permanently" hold their shape (for at least two years when stored properly). Material suggestions are Styrofoam, Glass, Plastic, Paper on a substrate, Fabric, Crochet, Metal, Resin, 3D printed...etc</p> <p>The best Colors for the Snowflake are Hot Pink, Lime Green, Yellow, Turquoise, Aqua, Violet, Pink, White or Silver. Please do not use black, hot orange or primary colors. Glitter, Sparkle, "GLO" are always appreciated, but not mandated.</p>
